201 ~ Please select a project/fabric type:

202 ~ Cotton/Polyester woven

203 ~ You may also modify the settings:

204 ~ Fabric thickness: Medium

205 ~ Fabric stretch: None

220 ~ Project Notes:

Ordinary cotton, polyester, or blends embroider easily. If you are working with a heavy weight, also check out the instructions for Canvas/Denim. Since this category covers a broad range of fabrics, let's just add that you don't want to stretch the fabric itself. This will cause compensation problems; your colors may not register well. Always try to get the fabric stable before hooping it to eliminate this problem. When hooping, remember to make sure the fabric is 'drum tight'.

Recommendations:

Needle: Embroidery, size 11-12 ~ 210

Thread: 40 wt. ~ 209

Backing: tear-away ~ 211
